OPENING CEREMONY

Shanghai High School International Division annual opening ceremony was held on September 1st in the school auditorium.

Many topics were discussed. Such as the growing student body, the achievements of students during the previous school year. Selected students gave speeches on how the school affected their lives while the audience -for the most part- listened attentively.

The ceremony lasted for a little over an hour with still many things left to discuss. On separate days, individual assemblies were held to finish everything off and to officially start the new school year.

High & Middle School Sports Award

110

AWARD

One of the most exciting elements is sportsmanship. After the school sports meet all the winners were expecting medals:

gold, silver... so, you can see the happiness from the faces of the students with sports excellence and it was always a big event for them to be awarded: where there is a will, there is a way.

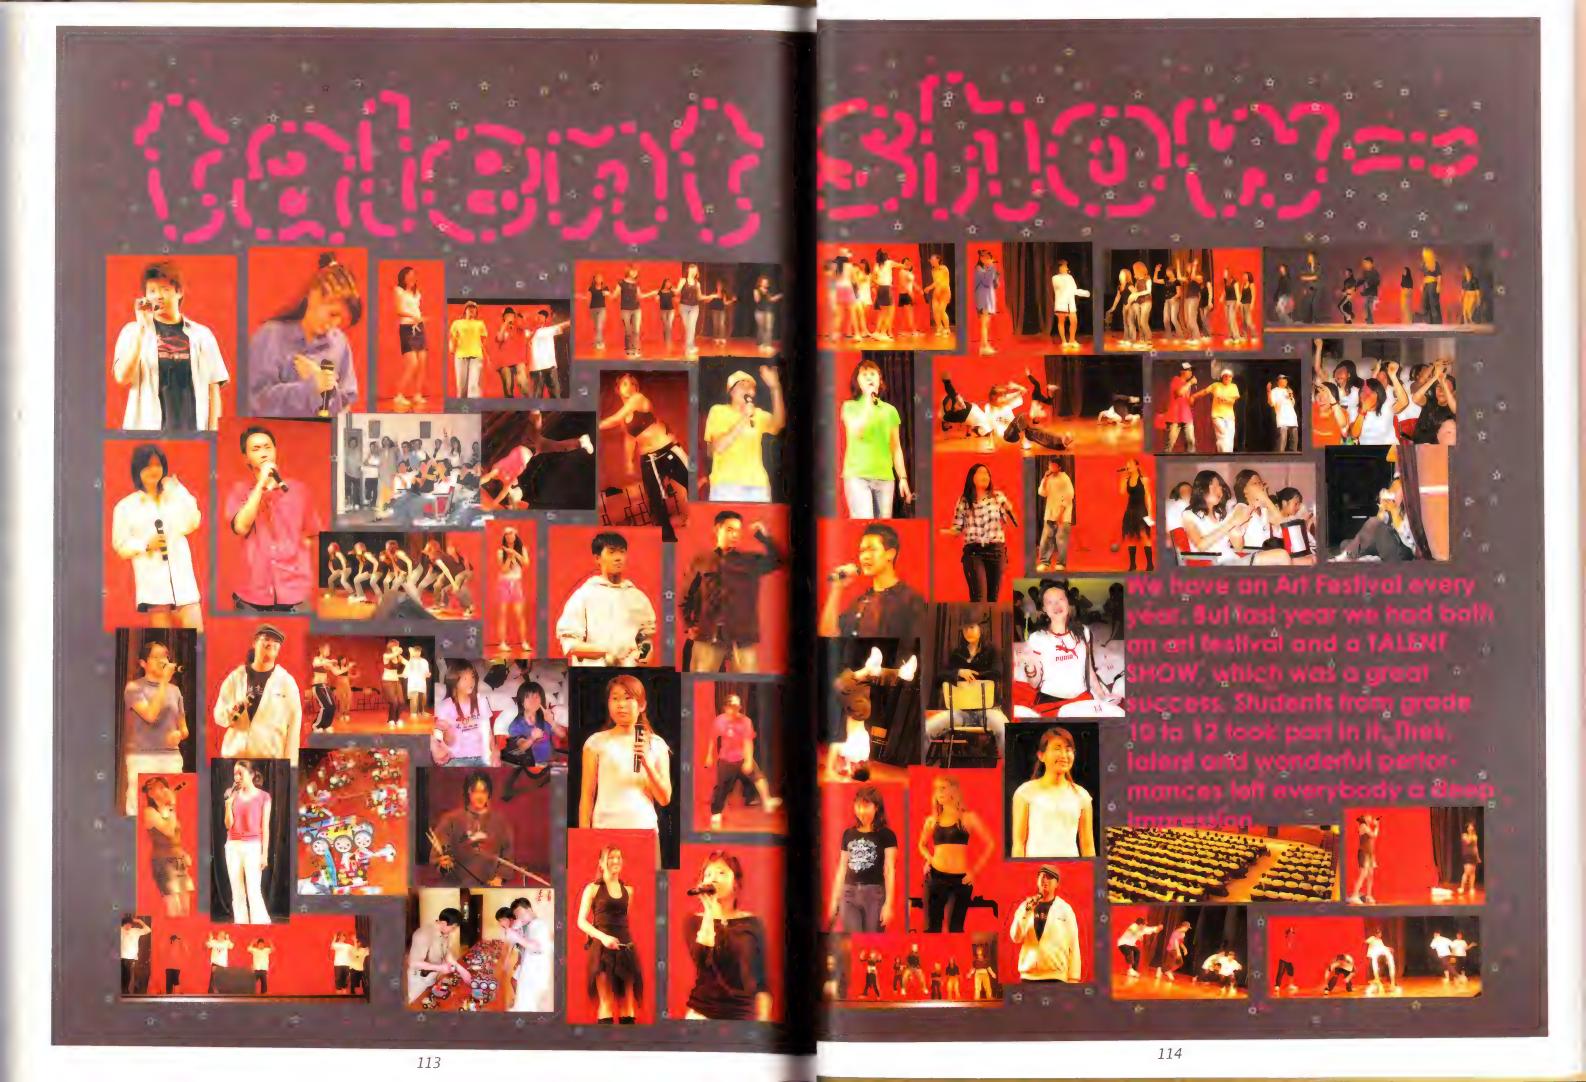

Primary Sports Meet

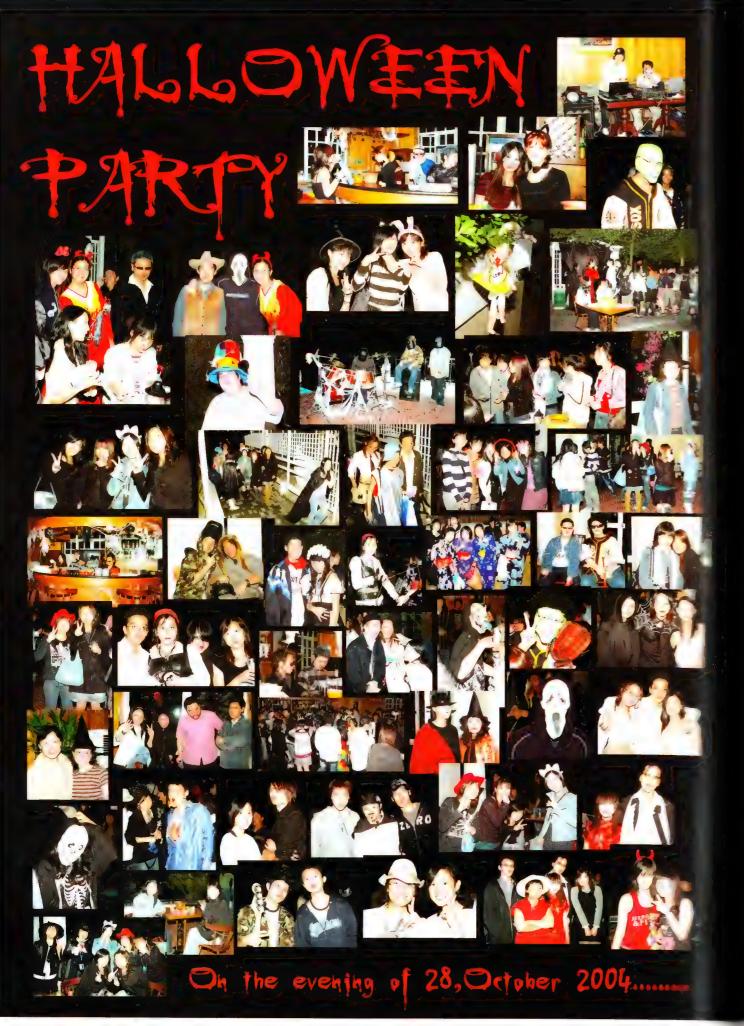

sports. A lot of students took part in it. All of them tried their

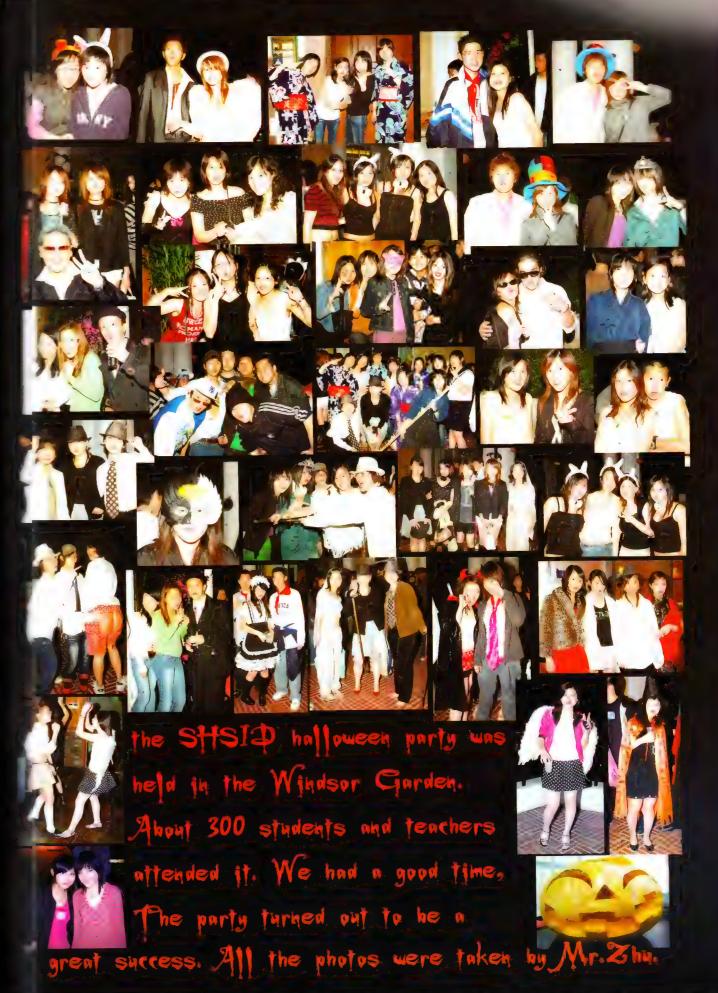

best in all those competetions. Sports meet day is always the happiest time for students.

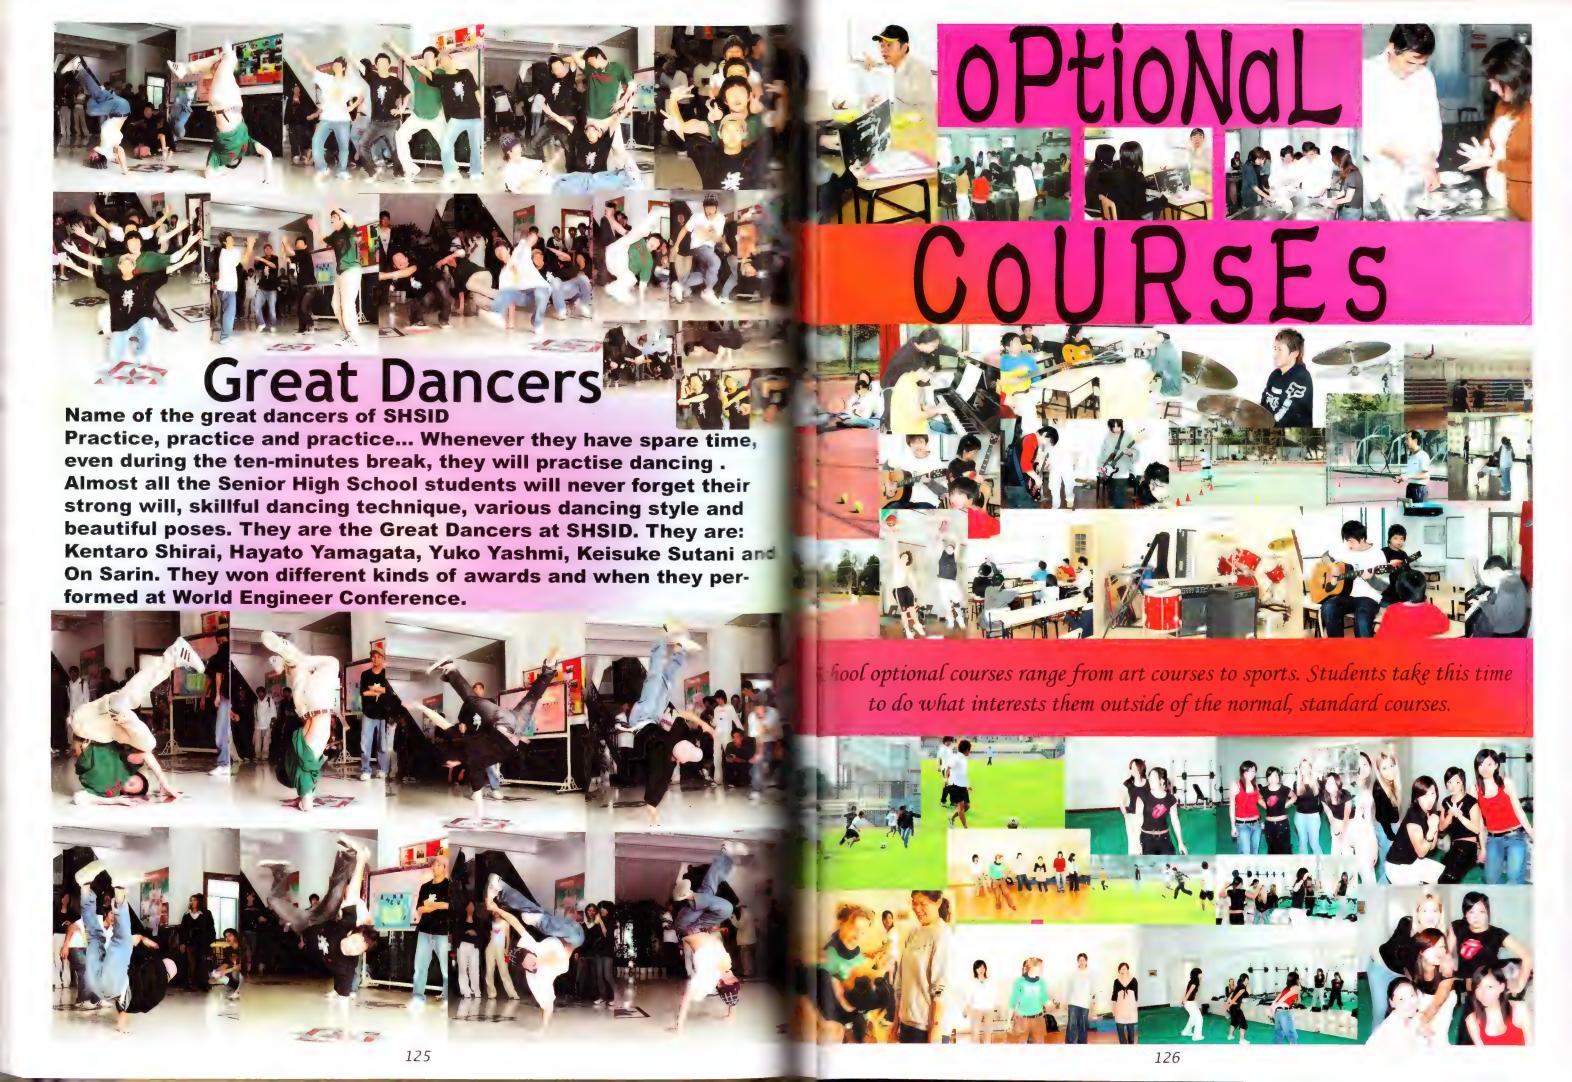

BASKET BALL TOURNAMENT SHSID 2421

SHS VS SAS

Nothing could explain the intensity of this years basketball tournament. Going against SHS was the all mighty SAS. The boys basketball team (SHS) had nearly won, but lost to a point, still the crowd cheered on as best they could to encourage the players. Well known for his skills is allen busself who scored same great points.

Altogether both the boys and the girls basketball team played a great match!

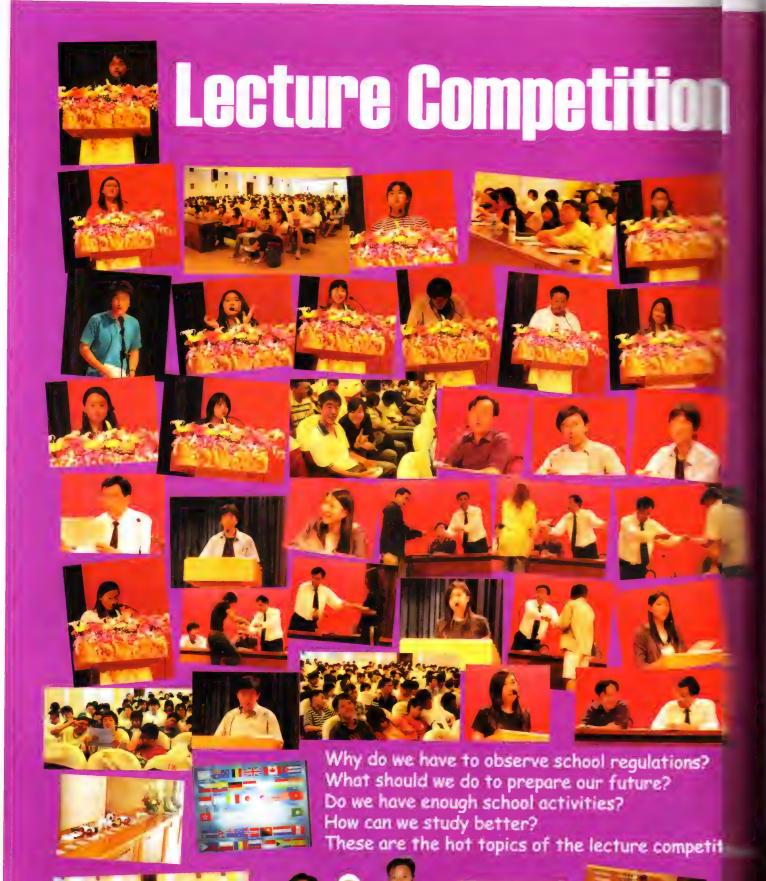

senior high school charity fair was held on November 29. Music blared as students and teachers around the assortment of stalls. The stalls mostly sold all sorts food and drinks. However, there were a part stall sprinkled around. There was one that sold manga and even one, which provided fortune tealing, and ght of the charity fair, however, was the pie auction that was able to raise over a thousand Yuan. The stood as their friends (and enemies?) bid to see who would get to pie whom. It was tons of fun - f a title and gross. Overall, the fair was a success and everyone had a good time.
